

The Estate Vault Appoints Global Sales Expert Chris Howard to the Board of Directors

LAS VEGAS, June 12, 2008 /PRNewswire-FirstCall via COMTEX/ -- The Estate Vault, Inc. (Pink Sheets: TEVI), world leader providing document storage and retrieval systems, today announced that Mr. Chris Howard has joined the company's advisory board.

Boyd Soussana, CEO stated, "I'm extremely pleased that Chris Howard has chosen to accept this appointment to our Advisory Board. Mr. Howard is a process driven initiator of change with high energy and enthusiasm. He has a talent for motivating and inspiring staff toward their objective. I have seen Chris consistently deliver significant stakeholder/shareholder value via multi-million dollar revenue and profit growth through initiatives in performance improvement and market expansion. Chris has held significant business responsibilities, including full P&L responsibility for companies as large as \$1 billion and 9000 people."

Mr. Howard's Professional experience:

Siemens - 2002-2007 (Boston; Munich) Senior Vice President

Recruited new people to the firm to significantly upgrade capabilities
Redesign of Global Sales function ('04); 3.1 billion euro revenue responsibility including Expert Deal Teams and governance - member of Global Executive Team; 600 million euro in new contract value '05 and 700 million in '06.

Riverton Corporation, Boston, MA - 2000-2001, Chief Operating Officer

Led business transformation to a professional services model, redirecting focus from object-oriented application development to e-business strategy consulting, with an emphasis on supply chain B2B issues, full P&L authority and directed all operations, including sales, strategic planning and program development.

Inacom Corporation, Omaha, NE - 1996 to 2000,

Senior Vice President Services (1999 to 2000)

Vice President, Technology Services (1996 to 1998)

Led development of strategic initiatives to create and execute transformation of product oriented business structure to one based on services with a system integration perspective. Executed the acquisition and managed integration of a \$240 million professional services business unit, built management team, designed and executed business plans for 1700-employee engineering, consulting, and sales organization with full P&L responsibilities. Integrated the Managed Service delivery assets totaling \$730 million with 5000 field engineering, help desk, and network operations personnel, again with full P&L responsibilities

About The Estate Vault, Inc.

The Estate Vault, Inc. was developed to overcome the daunting task of keeping financial, personal and legal documents up to date and in one place. Together with its strategic product partners The Estate Vault has wrapped up its unique service offering with a Credit Card Registry, Home Inventory Listing, Identity Theft Insurance and an online Legal Documents and Will Creator.

The Estate Vault intends to become the leader in value added products to the financial services industry by providing a product and service at a low price point and then leveraging patent pending technology known as IntelliAD and IntelliBrand to maximize brand awareness.
